## InstiPortal – GAC Gesellschaft für Analyse und Consulting mbH

On its website, GAC operates the online portal “InstiPortal” with data, information, analyses and reports on various institutional investor groups such as statutory pension funds, pension funds for the liberal professions, corporates and insurance companies. In particular, InstiPortal provides market reports, benchmark analyses and investor overviews as well as over 300 detailed investor profiles with an investment volume of over €2 trillion.

Use of the InstiPortal is subject to a fee. Access is provided through a subscription that is initially valid for one year and is renewed every year for one more year unless it was cancelled three months prior to the end of the term.

The General Terms and Conditions (GTC) in German as provided at the GAC website shall apply.

The usage fee for the InstiPortal shall be €2,975 per year for annual payments and €775 per quarter for quarterly payments as of 1 January 2017. The usage fee will increase at the beginning of each year by €80 and shall total €3,055 for annual payments and €795 for quarterly payments as of 1 January 2018. For calendar year 2019, the usage fee will then be €3,135 or €815, etc. All prices do not include the statutory value-added tax applicable in each case at the relevant time. Payment shall fall due within 10 days of billing at the beginning of the selected billing period. Access data will be sent within 14 days after written confirmation of this application.
